SF40A/BT

Bluetooth Impact Printer

OHAUS Wireless Bluetooth Impact Printer

The new SF40A/BT is a portable printer that offers high performance, advanced functionality, and wireless Bluetooth connectivity to OHAUS balances and scales – making it suitable for environments that require cable-free printing, such as biological laboratory cabinets in the cleanroom.

Unique Features:

- Secure and simple setup, with a factory paired Bluetooth adapter leading to plug-and-play integration.
- With its statistics and totalization modes and clock, the SF40A/BT ensures accurate and compliant reporting. These features complement OHAUS weighing instruments' application modes and provide increased functionality for laboratory, industrial, and educational applications.
- With the ability to print in 13 different languages, SF40A/BT can print in the language of the connected device to support universal operation.
